Angelo Monterroyo

Graphic Designer | DICT X Google Scholar | BS of Computer
Science

Cavite, Calabarzon, Philippines

Summary

Hi! I'm Angelo Monterroyo, and I am currently studying at Cavite State University – Main Campus in the Philippines. I am taking a Bachelor of Science in Computer Science, as it closely relates to my passion and future profession in designing. I have been interested in these field since I entered college, where I began creating various types of designs, including posters, banners, pins, and other visual materials.

Along with designing, I also join different organizations related to designing so that I can improve my skills. Through my studies and personal projects, I continue to expand my knowledge in design. I aspire to grow as a professional who can effectively blend technical skills with creative design in the technology industry.

Experience

Freelance

Freelance Graphic Designer
September 2024 - Present (1 year 4 months)

Department of Information and Communications Technology - Philippines

DICT X Google Scholar
July 2025 - Present (6 months)
Philippines

The Department of Information and Communications Technology (DICT) of the Philippines has teamed up with Google on Coursera to deliver professional certificate programs. These programs are designed to equip individuals with essential digital skills through expert-led courses. Participants can gain practical knowledge and earn certificates recognized by the industry, helping drive innovation, support economic development, and improve employment opportunities in today's changing job market.

Computer Science Student Organization

1 year 1 month

Committee of Public Relation and Information

December 2024 - Present (1 year 1 month)

Philippines

- We publish publication materials on our social media sites to announce/inform the students about the events and activities of the organization.
- We design different outlines and styles depending on the theme

Secretary General of Committee of Public Relation and Information

March 2025 - June 2025 (4 months)

Philippines

"I handled the preparation of meeting notices and minutes, while also coordinating communication among committee members to help ensure initiatives were carried out efficiently. This experience notably improved my skills in organization and teamwork, especially in the dynamic environment of the Committee on Public Relations and Information.
